## Do the Urbanna Oyster Festival like a Superstar!

The VIP Oysters Lovers Experience gets you entry into 3 exclusive hospitality tents, a festival concierge to help you navigate the festival, private restrooms with no lines, oyster tastings, Virginia wine & Craft beer tastings, oyster shooters and a whole lot more! This “VIP Pass” is the way to do Virginia’s Official Oyster Festival plus awesome activities like an oyster shucking contest, parades and waterfront fun!

## Be your own roaster

Need to impress the neighbors? Seafood sellers have the oysters neighborhood. Pair them up

Grab a bushel and start up the grill because our that will make you the envy of the with a Virginia wine and you’re golden.

## Enjoy Oysters for Breakfast, Lunch & Dinner

How do you like your oysters? There’s so many ways to try them, why not at every meal? Our restaurants serve them up in delicious ways. Oysters Benedict at Car Wash Cafe, Angry Oysters at the Tides Inn, Oyster Po boy at Rocket Billy’s, Angels on Horseback at Merroir, Oysters Rockefeller at Eckhard’s-they’re practically on every menu.

## Attend the Virginia Oyster Academy

The Virginia Oyster Academy, held at the Tides Inn, brings everything oyster together: history, science, and culinary-all with an authentic on-the-water trip. This 1/2 day experience gets you out on the water to tong, cull and taste a fresh-from-the-water oyster. Leave from the Tides Inn docks aboard the Miss Nicole, a working deadrise boat (learn what this is too!) and then return for a culinary sampling of grilled oysters and wine.
